The **Glen Eira Academy of Swimming** have been informed by GESAC that due to maintenance and upgrade works the 50m will remain closed a few more weeks. You will still have access to use the aquatic facilities over the closure period. The good news is the 25m pool bookings will not be affected.

The Academy understands this will be a difficult time and have done our best to provide as many sessions as possible during this upgrade period.

Note the following with regards to the Malvern (Harold Holt) sessions:

- * Please email your child's name & postal address if you require a Harold Holt Swim Centre entry pass.
- * The first 15 minutes of each session Monday to Thursday (4pm & 5pm sessions) are dryland.

Training options from Monday July 31
